

Emission Control Systems

Exhaust Emission Requirements

The U.S. Environmental Protection Agency (EPA) and Environment Canada require that your scooter comply with applicable exhaust emissions standards during its useful life, when operated and maintained according to the instructions provided.

(For USA)

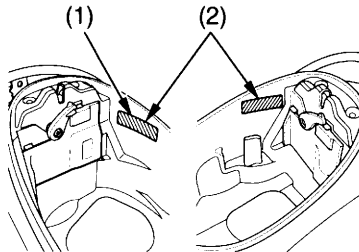

The Vehicle Emission Control Information label (1) is attached to the left side of the center compartment under the seat.

(For Canada)

The Vehicle Emission Control Information labels (2) are attached to the right and left sides of the center compartment under the seat.

LEFT SIDE

RIGHT SIDE

(1) vehicle emission control information label (For USA)

(2) vehicle emission control information label (For Canada)
