

# Contents

---

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.

## Introduction

### **Motorcycle Safety ..... 1**

Important safety information, a special message for parents, precautions about loading, accessories, and modifications, and the location of safety labels.

### **Operating Controls ..... 13**

The location, function, and operation of the throttle, brakes, and other basic controls.

### **Before Riding ..... 23**

The importance of wearing a helmet and other protective gear, plus how to make sure you and your motorcycle are ready to ride.

### **Basic Operation & Riding ..... 29**

How to start and stop the engine, shift gears, and brake. Also, riding precautions.

### **Servicing Your Honda ..... 41**

Why your motorcycle needs regular maintenance, what you need to know before servicing your Honda, a maintenance schedule, and instructions for specific maintenance items.
