

Headlight Beam Adjustment

The headlight beam can be raised or lowered by turning the vertical beam adjusting knob (1). Obey local laws and regulations.

WARNING: Do not adjust the headlight beam while riding the motorcycle. Keep both hands on the handlebars while riding.

Ajuste de la luz del foco

La luz del foco puede elevarse o bajarse girando el mando de ajuste vertical de la luz (1). Obedecer las leyes y normas locales.

ATENCION: No ajustar la luz del foco mientras se está conduciendo la motocicleta. Mantener ambas manos al manillar mientras se conduce.
