

Always Supervise Young Riders

Supervision is another important obligation of parents. Even after youngsters have become skilled off-road riders, make sure they always have adult supervision while riding. It also helps to regularly remind young riders to follow the instructions and warnings in this manual. And remember, it's the parents' responsibility to see that the Sportrax is properly maintained and kept in safe operating condition.

If you choose to lend your Sportrax, do make sure that any riders under 16 years old will have adult supervision. Your youngster should understand that the decision to lend the Sportrax is yours.

In Summary

Children differ in skills, physical abilities, and judgement. Some children may not be able to operate an ATV safely. Parents should supervise their child's use of the ATV at all times.

Parents should permit continued use only if they determine that the child has the ability to operate the ATV safely.

Safe and responsible riding must be an on-going commitment – by you and your youngster. When you both put safety first, you can enjoy more peace of mind, and your youngster can enjoy many hours of safe off-road riding.
