

Passenger's Helmet Holder

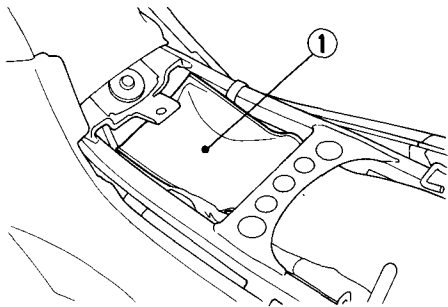

The passenger's helmet holder is located below the seat. Remove the seat (see page 39). Hang the helmet on the holder hook (4). Install the seat. Turn the key counterclockwise to lock the seat then remove the key.

(4) Holder hook

DOCUMENT BAG

The document bag (1) is under the seat. The owner's manual and other documents should be stored in the vinyl bag. When washing your motorcycle be careful not to flood this area with the water.
