

Protective apparel

Both rider and passenger are required by law to wear a helmet. Secure the strap properly. Helmets approved to AS1698 are the only legal helmets in Australia.

Wear protective clothing and gear such as:

- Face shield or goggles.
- Motorcycle boots or any footwear that covers the ankles.
- Leather gloves.
- Long pants and a long sleeved jacket.

Protective apparel should be bright or reflective.

Allow freedom of movement.

Avoid flared pants and loose sleeved jackets, which could get caught with the brake and gear shift pedals.

Caution

Wearing the helmet incorrectly increases the risk of serious injury or death in an accident. Both rider and passenger must wear helmets, protective gear and protective clothing.
