

# Maintenance

---

Keeping your motorcycle well maintained is absolutely essential to your safety. It's also the best way to protect your investment, get maximum performance, avoid breakdowns, and have more fun. To help keep your motorcycle in tip-top shape, this section includes a Maintenance Schedule for required servicing and step-by-step instructions for specific maintenance tasks. You'll also find important safety precautions, information on fuels and oils, and tips for keeping your Honda looking good.
