

## To switch the multi-information display

To select the display area, repeatedly press the **[MODE]** button.

- ▶ Can not select the INFO 3 display while pop-up information displayed. **►P.90**

If the **[MODE]** button is not pressed within 10 seconds, the display returns to the riding mode display.

### Riding mode **►P.101**

### INFO 3 display **►P.39**

→ Press the **[MODE]** button

### INFO 1 display **►P.28**

### INFO 2 display **►P.31**
