

Coolant Temperature Gauge Failure Indication

If the cooling system has an error, all segments will blink as shown in the illustration.

If this occurs, see your dealer as soon as possible.

Handle Grip Heater Failure Indication

CRF1000A II/D II

If the handle grip heater system has an error, the handle grip heater indicator will blink. If the "E1", "E2" or "E3" comes on, see your dealer as soon as possible.
