

Cargo Compartment

Trunk Side Pockets

The trunk side pockets are for soft, lightweight items.

Cargo in each trunk side pocket should not exceed:

1.0 lb (0.5 kg)

Do not put sharp or hard objects in the trunk side pockets. Such objects could interfere with opening the lids or damage the pockets.

To open the lid, pull the lever up.

To close the lid, pull the lid up. Check that latch is secure.

Make sure the trunk side pockets are closed before riding.

Be careful not to flood this area when washing your motorcycle.
