

Refuelling *(continued)*

Refuelling and tips on fuel P.14

Fuel filler cap opening

Disconnect the breather hose from the fuel filler cap.

Turn the fuel filler cap counterclockwise, then remove the cap.

Closing the fuel filler cap

Install the fuel filler cap by turning it clockwise. Connect the breather hose to the fuel filler cap.

WARNING

Petrol is highly flammable and is explosive.

You can be burned or seriously injured when refuelling.

- Stop engine and keep heat, sparks, and flames away.
- Refuel only outdoors.
- Wipe up spills immediately.

NOTICE

Always refuel enough petrol for the trip planned.
