

Important Safety Information

Never Carry a Passenger in the Cargo Bed

This vehicle is designed for a driver and one passenger only. Do not let anyone ride in the cargo bed, as they could be thrown against or out of the vehicle and be seriously hurt or killed.

Obey Loading Limits & Guidelines

Do not carry more than 1,000 lb (454 kg) in the cargo bed, and make sure all cargo is properly loaded and secured to prevent shifting.

Keep Your Vehicle in Safe Condition

It's important to keep your vehicle properly maintained and in safe operating condition. Having a breakdown can be difficult, especially if you are stranded far from your base. To help avoid problems, inspect your Honda before each use and perform all recommended maintenance.

Don't Drink and Drive

Alcohol and driving don't mix. Even one drink can affect your judgment and your ability to respond to changing conditions. Drugs can also impair your abilities. So don't drive if you are under the influence of alcohol or drugs.

Stay Off Public Roads

Your vehicle has been designed for use on private property and designated off-highway areas. It does not have turn signals or many other items required for use on either paved or unpaved public roads.
