

Side Nets

Rear (SXS1000M5P/M5D/M5L only)

1. Hook the side net snap hooks and fasten the side net buckle.
2. Tighten the belt on the side net D-ring.

Side net snap hooks wear limit

Inspect the side net snap hooks for wear. If the side net snap hook become less than 0.24 in (6 mm), see your SXS dealer for replacement.
