

# Indicators & Displays

## AT Indicator / MT Indicator / LOW Indicator

These indicators display the transmission mode of the SXS.

The indicators display: AT for automatic shift mode, MT for manual shift mode.

To switch between AT mode and MT mode, press the AT/MT switch (page 41). When MT mode is selected in low-range (L), the LOW indicator also comes on.

## SPORT Indicator

When AT mode is selected, pressing the SPORT switch displays the SPORT indicator (page 42).
