

# Maintenance Record

---

Keeping an accurate maintenance record will help ensure that your Honda SXS is properly maintained. Retain detailed receipts to verify the maintenance was performed. If the Honda SXS is sold, these receipts should be transferred with the Honda SXS to the new owner. Make sure whoever performs the maintenance completes this record. All scheduled maintenance, including the 100-mile (150 km) or 20 hours initial maintenance, is considered a normal owner operating cost and will be charged for by your dealer. Use the space under Notes to record anything you want to remind yourself about or mention to your dealer.
