

Servicing Your Honda

To help keep your Honda SXS in good shape, this section includes a Maintenance Schedule for required service and step-by-step instructions for specific maintenance tasks. You'll also find important safety precautions, information on fuels and oils, and tips for keeping your Honda looking good.

For information about replacing fuses, see page 216.

For information about the exhaust emission and noise requirements of the U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB), and Environment and Climate Change Canada (ECCC), see page 237.

USA Only

Maintenance, replacement or repair of the emission control devices and systems may be performed by any repair establishment or individual using parts that are "certified" to EPA standards.
