Contents

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.
ATV Safety
Important safety information you should know, plus a look at the safety related labels on your ATV.
Instruments & Controls
Before Riding49
The importance of wearing a helmet and other protective gear, how to make sure you and your ATV are ready to ride, and important information about loading.
Basic Operation & Riding65
How to start and stop the engine, shift gears, and brake. Also, riding precautions.
