

Indicators & Displays

8	Hour select button	Advances the hour displayed by the digital clock (page 26).
9	Minute select button	Advances the minutes displayed by the digital clock (page 26).
10	ADJ button	Used to set the digital clock (page 26).
11	PGM-FI indicator	Lights when there is any abnormality in the PGM-FI (Programmed Fuel Injection) system. Should also light for a few seconds and then go off when the ignition switch is turned ON and use the start button. If the indicator comes on at any other time, reduce speed and take your vehicle to your dealer as soon as possible. <i>Lamp Check</i> .
